- B. To create awareness that property ownership disperses decision making to each individual owner over the use and protection of the individual's property by working to achieve effective interaction between the public, REALTORS® and the local government.
 - C. To foster an understanding of private property rights that leads to active participation, which results in their preservation.
 - D. To present our members as community leaders, educators and defenders of these rights.

Major Activities:

- A. An essay contest for high school seniors that asks them to address themselves to the concept of how and why widespread homeownership strengthens democracy.
- B. Education sessions to examine which local services are being paid for by property taxes and which are being funded by other sources, leading to a determination of how these monies should be used.

Motion

Motion was made, seconded and unanimously carried for approval of the Recommendation of the Communications Committee.

Question was asked of the Communications Committee as to how the transition of real estate today® is going. Response was given that the January and February issues of real estate today® were the total product of NAR and the Committee believes that absolutely no quality has been lost in the transition, but we are moving toward even further improvements.

Discussion was had as to the fees or costs of advertising for the Institutes in real estate today® and it was noted that National needs to review the whole issue of advertising in real estate today® and the other publications, keeping in mind the budgetary problems of all involved.

31. Report of the Board Jurisdiction and Membership Policy Committee

Chairman Earl Espeseth presented the report on behalf of his committee, as follows:

At the November, 1981 meetings, the Board Jurisdiction Committee recommended to the Executive Committee the formation of the proposed Lower Florida Keys Board of REALTORS® (Florida). The purpose of the recommendation was to reassign territory from the Marathon Board of REALTORS®, which was unwilling to release the territory to form the proposed Lower Florida Keys Board.

The Executive Committee approved the recommendation of the Board Jurisdiction Committee. However, when the recommendation was made to the Board of Directors, it was tabled for consideration at the Mid-Winter Meetings.

This recommendation is included on the Directors Agenda and will be presented for approval with the other recommendations of the Membership Policy and Board Jurisdiction Committee, as follows:

Proposed Lower Florida Keys Board of REALTORS®, Florida

Charter Members: 15

Proposed Jurisdiction: Ohio Key, Florida Saddlebunch Key, Florida, as follows: Northern Boundary: Bounded by the northerly line of Township 66 South; Eastern Boundary: Easterly line of Range 30 East; Southern Boundary: Southerly line of Township 67 South; Western Boundary: Westerly line of Range 27 East in Monroe County, FL.

Marathon Board of Realtors®, Inc., Florida

Present Jurisdiction: West end of Long Key to Boca Chica, Florida, in Monroe County, FL..

Proposed Jurisdiction: West end of Long Key to Ohio Key, in Monroe County, FL.

Motion

Motion was made and seconded that this matter be reconsidered by the Executive Committee. Motion carried.

Immediate Past President John Wood suggested that the Executive Committee go on record as being in opposition to the formation of the proposed Lower Florida Keys Board of REALTORS®. He noted that it was a unanimous vote by the 47 Florida Association Directors that they were against the formation of the proposed Board.

Motion

Motion was made, seconded and unanimously carried that the Executive Committee recommends to the Board of Directors that it refer the matter back to the Board Jurisdiction and Member Policy Committee.

Recommendation #1

That the Contested Application for Charter Status as a Member Board of REALTORS®, of the Proposed Sun City Board of REALTORS® (Arizona) as found on Appendix E, Page 4, Board of Directors' Agenda, be approved.

A due process hearing was held at these meetings by the Membership Policy and Board Jurisdiction Committee on the Contested Application of the proposed Sun City Area Board to the Glendale-West Maricopa Board of REALTORS®, Inc. for release of territorial jurisdiction.

The Glendale-West Maricopa Board has been willing to release a major portion of the requested jurisdiction to allow the formation of the new Board.

Dear Sirs:

We are asking for a change of name from Marathon Board of Realtors, Inc. to Marathon and Lower Keys Board of Realtors, Inc., because:

Marathon is only one Key in this area. To be descriptive of our entire territory we need to add the identifying "Lower Keys" designation. Our territory encompasses the area from Long Key to Boca Chica which includes the following: Bahia Honda Key, Big Pine Key, No Name Key, Little Torch Key, Ramrod Key, Big Torch Key, Summerland Key, Cudjoe Key, Sugarloaf Key, Saddlebunch Key, and Big Coppitt.

Thank you for your considering this change.

RE: Contested Application for Charter Status as a Member Board --
Proposed Lower Florida Keys Board vs. Marathon Board of REALTORS®, Inc.

Dear Gloria:

This correspondence will serve as the official notification of the action of the Board of Directors, NATIONAL ASSOCIATION OF REALTORS®, on February 9, 1982, in respect of the Contested Application for the Formation of the Proposed Lower Florida Keys Board vs. the Marathon Board of REALTORS®, Inc. After considerable discussion, the motion to approve the formation of the Proposed Lower Florida Keys Board was defeated by vote of the Board of Directors.

In regard to the Application for Change of Name for the Marathon Board of REALTORS® which was deferred by the National Association's Board Jurisdiction Committee pending completion of the Contested Application procedure, it will now be possible for the Application for Change of Name to be included on the Agenda of the Membership Policy and Board Jurisdiction Committee at their May 1, 1982, meeting in Chicago. Inasmuch as we have on hand the signed Application for Change of Name from the Florida Association of REALTORS®, no further submission of documentation or materials need be provided.

A correspondence copy of this letter is being provided to Mr. Robert French and to the officers of the Florida Association of REALTORS®.

On behalf of the Membership Policy and Board Jurisdiction Committee and the National Association, I wish to thank the parties to this dispute for the cooperation and assistance which has been provided over the past several months in respect to this Contested Application. We would hope that the Members involved in this dispute can now be encouraged to work together to have a viable, productive Board of REALTORS®.
